Dear Friends,

We are more grateful than ever before for our Sweetser community of donors, volunteers and staff. Without you, we could not have weathered the COVID-19 storm that impacted all of us in the last quarter of our fiscal year 2020.

Of course, we did not predict what would eventually overshadow a year already challenged by the implementation of a new electronic health record, which has since been implemented in place of our former system for client care.

It’s difficult in these times to find silver linings, but this year has strengthened our mission and undoubtedly amplified the message that mental health services are critical to people of all ages. This is particularly true for a community mental health provider like Sweetser that delivers services where convenient to our clients – in their home communities, in person or by telephone or teleconference.

Demand for services of the state’s Intentional Warm Line, staffed by Sweetser, saw enormous growth since the pandemic. Sweetser staff literally answer the calls when it comes to fulfilling the needs of Mainers. All programs including our mobile crisis providers continued to offer their services throughout the year – when and wherever they were needed, with consideration for personal protection of both clients and staff. Our residential services staff are among our superheroes including those who got FIT-tested to work in full protection when needed.

Speaking of personal protective equipment – thank you so much for the more than 15,000 face coverings and masks that have been made or donated to Sweetser. We are so appreciative that you care so much about the health and safety of our clients and staff!

Finally, do you know someone who would like to join our team? We continue to recruit new staff members in positions of all levels of experience. If you know someone who would like to launch or advance a compassionate career, contact hr@sweetser.org.

Thank you for your continued support of our efforts on behalf of the children, families and adults we serve. Stay healthy and safe!

Sincerely,

Debra D. Taylor

DONOR PROFILE – A Sweetser Family Legacy Continues

Kate Sweetser

It’s not a coincidence that Kate Sweetser has the same last name as Cornelius Sweetser III, founder of the Sweetser organization. She is a distant cousin of the late philanthropist.

Kate’s brother Elliott began contributing to Sweetser in 2004 after visiting the Crisis Unit on the Saco campus with his children so they could learn more about their family heritage.

While in Maine visiting potential colleges with her daughter in 2008, Kate stopped by Sweetser to learn more about the organization. Following in her brother’s footsteps, she began contributing to the organization later that year. Kate has supported Sweetser every year since, and became a Cornelius Sweetser Heritage Society member in 2015 – generously including Sweetser in her estate plans.

Kate has made donations in memory of Cornelius Sweetser III and her father, who was a well-recognized Child Psychiatrist in New York. She has attended the annual Sweetser/KeyBank Sold on Kids Auction & Dinner, making a cross-country trip to show her support. Recently, she donated handmade face coverings for use by Sweetser clients and staff during the pandemic.

Asked why she is so supportive of Sweetser, she replied, “I would like to be a little part of the family for the kids of Sweetser going forward. I’ll take them if they will take me.” Another inspiration for her is to help families and individuals with substance use disorders and psychological challenges.

Sweetser was founded due to the generosity of Cornelius Sweetser III – the successful Saco businessman and civic leader willed, upon his passing in 1881, one-third of his estate to the Town of Wakefield, Massachusetts, one-third to needy relatives, and one-third to establish Sweetser in support of Maine children orphaned by the Civil War. Sweetser Trustees purchased the site of the Saco campus in 1915 and opened the Sweetser Orphan Asylum, later recognized as the Sweetser Home for Boys. Later, the Children’s Home of Portland, the Children’s Aid Society of Maine and Maine Home for Boys became a part of Sweetser, setting the foundation for the Sweetser we know today.

Kate and her brother Elliott are continuing the Sweetser family legacy of philanthropy. We are very grateful for their dedication and commitment to our mission.
More people than ever before are calling the 24/7 Intentional Warm Line. Staffed by Sweetser, the mental health peer-to-peer support line has answered an increase of approximately 40% more calls since the pandemic impacted everyone last March.

Available 24/7, adults aged 18 and older can call for mutual conversations with a trained peer specialist who has life experience with mental health recovery. The focus is to encourage and foster recovery, moving toward wellness and reconnecting with community.

The Maine Suicide Prevention Program and its Advisory Council recognized the Sweetser Zero Suicide Leadership Team in a virtual award ceremony held on October 1st as the 2020 recipient of the Caring About Lives in Maine (CAL ME) Award. The CAL ME award recognizes individuals and organizations promoting suicide prevention through education, stigma reduction, active intervention, or ongoing support of suicide survivors. Sweetser was nominated for this award by Sheila Nelson of the Maine Center for Disease Control and Prevention (CDC). If you are worried about yourself or someone else, call the Maine Crisis Line at 1-888-568-1112.

Sweetser advocates for services that our clients need and deserve as part of the Behavioral Health Community Collaborative. A recent press conference received statewide coverage promoting a Mental Health Toolkit of resources. Learn more at mentalhealth4me.org.
Amy Redford is an Integration Specialist at the Sweetser School in Belfast and this year's Garland Award winner. Each year, Sweetser presents this award – named for longtime former Board Member Laurence Garland, Jr. – "to acknowledge those who personify exceptional service to Sweetser and to the greater community." Recently recognized for 20 years of service, Amy's coworkers said she is a dedicated and caring team member who works hard for the children she has cared for at the school or within Sweetser's Residential Services Program. Among her volunteer efforts, she helps those in need by coordinating meals for community members who are struggling with loss.

Thank you for your donations of more than 15,000 face coverings and masks! Please contact Volunteer Manager Sue Hawthorne at shawthorne@sweetser.org if you would like to donate.
Prime Ford and the Ford Motor Company donated 2,280 masks for use by Sweetser clients and staff. In the photo, left to right, are Sweetser Development Director Todd Henry with Prime Ford General Manager Dave Blanchard.

Santa made the holidays brighter with a stop at Developmental Services in Bangor!

Sweetser Stigma Stompers participated in this year’s NAMI Maine Walk, held virtually this year in support of improving the lives of those impacted by mental illness. In the photo, left to right, are: Victoria Sack, Jenny Fitzgerald, Marika, Rose Sack and Deb Taylor. Missing from the photo is Deb Higgins.
We are grateful to our supporters for helping Sweetser stay strong during these challenging times. The COVID-19 pandemic has affected so many people, including our programs and special events.

Our annual Sweetser/KeyBank “Sold on Kids” Auction & Dinner was postponed and temporarily converted to an online event in October. The popular Sweetser/Prime Motor Group Golf Classic was temporarily moved to September and included 33 teams! The golf tournament will return to its normal date in June of 2021. Our Sweetser/Harvard Pilgrim Cycle or Stroll for Suicide Prevention normally held in the fall, was cancelled.

Despite many challenges, we have received unwavering support from corporate sponsors, friends, foundations, civic clubs and local businesses.

We also wish to thank the family of Richard “Dick” Dalbeck for their generosity to Sweetser. Mr. Dalbeck was a former Board member and longtime Sweetser supporter who passed away in December of 2011. He established the Richard B. Dalbeck Charitable Remainder Unitrust and Sweetser received a significant planned gift this past year. Planned gifts such as this have helped build Sweetser’s endowment to ensure that our services will continue to help those in need for years to come.

If you have any questions about contributing, please contact me in the Development Office at 207-294-4484 or at thenry@sweetser.org
